KAELEN VANCE

VISUAL & DIGITAL SYSTEMS DESIGNER · CREATIVE TECHNOLOGIST

Southern California · kaelenvance@gmail.com · vancedesign.com · (949) 555-0194

SUMMARY

Twenty-two years bridging the gap between brand identity, bespoke web architecture, interactive product design, and commercial photography. Specialized in designing, building, and shipping production-grade digital products and multi-viewport design systems.

EXPERIENCE

Principal Systems Designer — Studio Meridian (2024 – PRESENT | REMOTE)

Steer cross-functional digital product design, production front-end engineering, and brand design systems for fintech and enterprise clients. Built AI-assisted workflow engines and headless web apps in Next.js.

Staff Product & Web Designer — Archetype Systems (2023 – 2024 | IRVINE, CA)

Architected comprehensive design systems, high-converting marketing web architectures, and client management portals. Managed digital brand consistency across 8 core product touchpoints.

Lead Front-End & Interface Designer — Lumen Health (2021 – 2023 | REMOTE)

Re-engineered flagship responsive web platforms, marketing design systems, and patient telemetry onboarding dashboards. Spearheaded user testing, design sprints, and accessible UI refactors.

Sr. Visual & Motion Designer — Vector Dynamic (2018 – 2021 | LOS ANGELES, CA)

Directed visual identities, high-impact social campaigns, and 4K commercial video productions. Created unified design token architectures for multi-platform delivery.

Digital Design Director — Sovereign Media (2014 – 2018 | COSTA MESA, CA)

Led multidisciplinary design teams delivering web applications, e-commerce stores, and high-retention email marketing systems for global luxury and financial accounts.

SKILLS & TOOLING

Design & Interface: Figma, Design Systems, Typography, Wireframing, Rapid Prototyping, Adobe Creative Cloud (Photoshop, Illustrator, InDesign, Premiere Pro, After Effects).
Front-End Engineering: Vanilla JavaScript (ES2024), TypeScript, React, Next.js, HTML5/CSS3, Tailwind, Web Audio API, Canvas 2D, SVG filters & animations, Git/GitHub, Vite.
Media & Commercial Production: Commercial Photography, Studio Lighting, 4K Video Editing, Color Grading (DaVinci/Premiere), Sound Design.

EDUCATION

B.F.A. in Visual Communication & Digital Media — ArtCenter College of Design, 2004
